

Summer Camp Policy & Daily Schedule:

Welcome and Thank you for joining us this summer.

- Camp starts promptly at 9am. We start our day with an obstacle course or dance game. This helps warm our muscles up. *Please dress your children in comfortable clothing. No jeans/denim shorts.
- 9:30 - Stretch! After our muscles are warm we stretch.
- 9:45 - Technique! We begin with instruction. Working on vocabulary and new sequences of movement.
- 10:30 - Its snack time! Due to food allergies, we ask parents to pack their children with snacks. We believe this is safest. We will not allow children to share snacks. *If a child is without snack one morning, we will provide water, fruit and cheddar bunnies.
- 10:45 - Choreography! Time to put together all the beautiful steps with music.
- 11:45 - Cool down and Clean up! Time to give our muscles one last stretch, gather belongings and a bit of drawing until parents/guardians pick up students.
- 12:00pm- Its's time for Pick up! *If you are late for pickup, please contact studio promptly so staff can accommodate.

*We ask that children are potty trained. All children will be escorted to the restrooms to help avoid accidents. We suggest parents' pack spare clothes in case of an accident for younger children.

*During class time, only staff is allowed in and out of the studio. Children will not be allowed to exit. All visitors must be announced.
